

**2019-2020 Fall/Winter Season  
Lake Erie Swimming  
Bidding Instructions**

The attached schedule lists available weekends for hosting meets. Clubs may bid for a specific day or weekend (extending to weekdays if desired). **Clubs submitting bids will need to offer the events listed in the bid packet and conform to any other parameters associated with the meet description.** Clubs may submit to the Scheduling Committee a request for changes in the events offered, age groups, time standards, format, etc. Clubs may make their bids contingent upon the Scheduling Committee's approval of the proposed change(s). Failure to list contingencies on the bid application means the club must host the meet as originally listed in the bid packet if the Scheduling Committee does not approve the change. If a contingency is listed and the Scheduling Committee does not approve the contingent proposal, the club will be under no obligation to host the meet.

The Scheduling Committee will look at all the bids and award those that are in compliance with the bid packet, with the caveat that the Scheduling Committee will be able to impose additional age groups, events, and/or time standards to any meet if the overall schedule is in need of corrective measures. Where two or more teams are bidding on the same meet and a solution cannot be brokered, decisions will be made by the Site Selection Committee in accordance with LESI 5.1.4.

Once the meet has been awarded a meet host may not withdraw its bid without penalty. There is no limit to the number of meets for which any club may bid or any limit to the number of meets a club may host.

Unless noted to the contrary, meet hosts will develop their own order of events and sessions. Please make an effort to minimize days/hours at the pool for swimmers and their families. Meet hosts are encouraged to develop their sessions with this goal in mind. NOTE: 12 & U events must be planned to be completed in 4 hours or less.

Identify the day(s) on which you would like to bid from the attached bidding schedule and submit the Application(s) to Host a Meet along with a sanction deposit of \$50.00 per meet payable to LESI (separate check for each meet bid), and proof that the facility is available on the appropriate date(s). **The deadline for receipt of application is April 4, 2019.**

Please feel free to contact any member of the Scheduling Committee with questions.
