

Athlete Committee Toys for Tots

Hello Everyone!

Last year, Lake Erie Swimming athletes created and initiated an LSC-wide Toys for Tots drive. Even with COVID, we plan on continuing this tradition in 2020! There are still kids out there who deserve to have the best holiday season possible, and it's up to us to give back and spread some holiday cheer.

Right now, the tentative plan is to have the drive open for donations from December 7th-12th (Monday-Saturday). If your team chooses to participate, donations would be run at your team's practice site(s) and brought by the club rep and/or admin to a neutral site for the county that your team is in. From there, a Toys for Tots county rep would do the rest!

Your job is simple: Simply fill out [this](#) form in its entirety to mark whether or not your team will participate. This will help us, the reps, get together a list of TFT reps that we need to contact to make this event happen. In the coming weeks, as more information becomes available on this drive, we will be posting to our social media and send out emails to you about any new information that comes out.
