

2025 Avon Classic
Warm Up and Meet Info
36265 Detroit Rd. Avon, Ohio 44011

General Info –

- Please park in the back paved lot. The lot closer to the Avon Aquatic Facility will be reserved for members using the recreation pool. No parking on the playground. Overflow parking is on the grassy area to the left (south) of the pool. You can access this area by taking the drop off road in front of the pool at the far end.
- Entrance to the meet will be on the south side of the pool (left side of the facility) due to the splash area and slide pools remaining open to Avon residents with memberships.
- Tents cannot be staked into the grass on the inside fenced area by the pool deck. They can be set up in the outside fenced area outside the pool. All outside food and drink must be kept in this area as well. A concession stand will be available, but not for the start of the meet.
- There will be a 10-minute warm up before the 400 and 800 freestyles. **Please have the swimmers in these events bring their own timer (and counter for the 800.)**
- **There will be no relays at the meet. In order to keep the sessions at a reasonable time we dropped relays.**
- AM sessions will be deck seeded. Swimmers should circle in when they arrive. Check in will close no later than 7:25am. Afternoon sessions will be pre-seeded.
- Spectators are only allowed on the side of the pool by the grass. The other half of the facility will be open to the public. Only coaches and swimmers are allowed on the deck in between the competition pool and the activity pool.
- No admission fee.
- No time trials will be conducted.
- Heat sheets will not be sold but will be posted on deck and will be on Meet Mobile barring any technical difficulties.
- Note that the pool locker room is small so swimmers may want to consider arriving in their suits.
- Deck entries will be accepted only to fill empty lanes. No new heats will be added. Events are \$12/event plus a \$3.00 LESI surcharge/swimmer for swimmers not already in the meet. Proof of USA membership is required for any swimmers new to the meet. Deck entries will be seeded at NT. Checks can be payable to Lakeshore Swim Club. Please try to have exact change if paying with cash. If there is not an available lane, the payment will be refunded.
- Coaches will be required to show current credentials in order to be on deck. Coaches **MUST** present their registration card or their Deck Pass verification. Wristbands will be issued to those who verify current coach membership. A screen shot of your Deck Pass or coach membership

card will be permitted. Coaches who cannot display their Deck Pass or membership card will NOT be issued a wrist band and will NOT be permitted on the pool deck.

- This is an outdoor meet; please plan accordingly for weather.
